ALL-COUNTY LETTER NO. 89-87

TO: ALL COUNTY WELFARE DIRECTORS

SUBJECT: TITLE IV-E INDEPENDENT LIVING PROGRAM ALLOCATIONS FOR  
FISCAL YEAR 1989-90

REFERENCE: ALL-COUNTY INFORMATION NOTICE NO. I-72-88  
ALL-COUNTY LETTERS 88-92 and 89-65

This letter is to:

1. Provide Counties with the final allocation of funds for the provision of Independent Living Program (ILP) training and services to adolescents aged 16 and over who are in foster care;
2. Advise Counties of a new case plan requirement for youth who participate in the ILP; and
3. Provide Counties with an updated list of local ILP coordinators.

All-County Letter (ACL) 89-65 dated July 24, 1989, notified Counties of the availability of ILP funds and provided each County's tentative allocation for FFY 1990. The tentative allocations were based upon the total number of foster youth, both federally-eligible and nonfederally-eligible, in each County as reported to the Foster Care Information System for calendar year 1988. Since that time, two additional Counties have advised the Department of their intent not to provide ILP training.

The attached final allocation schedule reflects the redistribution to participating Counties of additional ILP funds made available by the decisions of El Dorado and Plumas Counties not to participate. Each participating County received a small increase in the final allocation as a result of the redistribution.

Counties are also advised that effective October 1, 1989, each foster youth participating in the ILP must be provided a written transitional independent living plan which is based on an assessment of each youth's needs and which shall be incorporated into each participating youth's Child Welfare Services (CWS) service plan developed pursuant to Manual of Policies and Procedures (MPP) 30-334 or 30-434. Counties should implement this requirement immediately for youth just entering the ILP and at the next CWS reassessment required by MPP 30-344 or 30-444, for youth currently receiving ILP training and/or services. The written independent living plan should include, at a minimum, information regarding the specific training and services to be provided to enable the youth to successfully transition to living independently.

Also attached for your information and use is an updated list of County ILP contacts/coordinators. The list reflects revisions based on County letters of intent for FFY 1990.

Questions regarding Independent Living Program implementation issues should be directed to your Adult and Family Services Operations consultant at (916) 445-0623. Questions regarding the Independent Living Program time study and fiscal claiming instructions should be directed to the Fiscal Policy and Procedures Bureau at (916) 445-7046.
